

BECOMING GOD'S WOMAN

WOMENSLIFE 2024 STUDY A STUDY ON THE TITUS 2 WOMAN

God has called each of us as His women for a distinct purpose. As His beloved, He calls us into a deep, intimate and personal relationship with Him. Just as we are known by Him, He desires for us to grow in our knowledge of Him and receive all that His divine power has for us in life and godliness (see 1 Peter 1:2–3).

In Titus chapter 2, we find a beautiful list of attributes for godliness that would benefit every woman to hide in their heart and make their guideline for living. Over the next several weeks we will take a close look at each of these attributes and see how different women of the Bible, who followed God, lived these attributes out. As God has used His women in times past to make an impact and bring honor to His word, even to our generation, may He also use us as His women to do the same today.

We are excited to journey together with you and we ask the Holy Spirit of God to continue sanctifying us in becoming God's women for His glory and the honor of His word.

"As for you, Titus, promote the kind of living that reflects wholesome teaching...teach the older women to live in a way that honors God. They must not slander others or be heavy drinkers. Instead, they should teach others what is good. These older women must train the younger women to love their husbands and their children, to live wisely and be pure, to work in their homes, to do good, and to be submissive to their husbands. Then they will not bring shame on the word of God." Titus 2:1, 3–5 NLT
