

# BECOMING GOD'S WOMAN

## WOMENSLIFE 2024 STUDY A STUDY ON THE TITUS 2 WOMAN

### “Becoming a Woman of Devotion” “Chaste”

#### Study Guide 8

For weeks now we have been faced with the challenge of “Becoming God’s Woman.” And once again in this lesson we’ll explore another character trait that will lead us toward that end goal. We’ll be looking at what it means to be “chaste” or pure. Purity is the quality of being faultless or uncompromised in our thought life, our words and our actions. As we look to the Word of God we find that Ruth is one such woman. We can look at her and model our behavior after her chaste example.
